General Claims Information

- We **do not** cover the costs of surgeons, anaesthetists, doctors, x-rays or accounts which are related to Medicare.
- We **do not** cover the Medicare Gap (The Health Insurance Act (Cth) 1973 does not permit us to).
- Subject to The Insurance Contracts Act 1984, we provide reimbursement for treatment which is **received within 12 months** of the injury for the period you are unable to attend 'the sport'. Once you resume 'the sport' reimbursement ceases.
- If you are covered by Private Health Insurance, you must claim accounts through them first. You can then forward the receipts along with the 'rebate advice statement', which indicates the level of benefits paid, to our office.
- If you have undergone surgery in a private hospital (which is not covered by Medicare) please provide an **itemised** receipt/account.
